PARKSIDE RESIDENCES BY SOLUM

DISCLAIMER: Reference to any measured area or definition is in accordance with International Property Measurement Standards (IPMS) published by the International Property Measurement Standards Coalition (IPMSC). The Net Internal Area comprises internal floor space and outdoor areas, excluding internal and external walls, and other structural elements. The Total Sellable Area encompasses all internal and external spaces, including all walls, columns and structural elements. Apartment designs and layouts presented are indicative and subject to change. The specifications are as of the brochure's preparation date and may be adjusted in accordance with permitted variances under apartment sale contracts. Floorplans are not to scale, provided for guidance only, and dimensions are approximate sizes.

Building C | Fourth Floor
